Coffees, Teas and other drinks

The Providores uses an exclusive blend of three responsibly sourced Arabica beans developed with **Volcano Coffee Works**, individually hand-roasted in small batches in South London. The selected beans are then blended, creating a coffee with flavours of rich dried fruits, sherry soaked orange and marzipan. We feel it is perfect as an espresso or served with our organic milk or GM-free soy - and it's great for brewing at home too.
